July-August Fun – Wappapello Lake

Our campout for July 30 – August 1 was at the Redman West Corps of Engineers Park at Wappapello, MO. Ron & Jan Allen, Shirley Crow, Ray & Mary Scott, Ed Johnson, John & Joyce Schudel, Dennis & Rose Fesmire, Harvey & Joan Brandt, & Joe and I withstood the miserably hot, humid weather for this campout. Some of the ladies enjoyed a shopping trip to Puxico on Friday afternoon & most of the group drove to Markham Springs near Williamsville, MO on Saturday. A stop by a country store in Williamsville yielded some interesting finds. They seemed to have a little bit of everything.

We had an enjoyable dinner at Indian Hills Winery on Saturday night. The food was very good but even the entertainment & the new cover over their deck couldn't make the heat any better.
