HOLIDAY RAMBLER
 RECREATIONAL VEHICLE CLUB, INC.

Updated October November 15, 2011

Who We Are

Cardinal Ramblers, Chapter 174, is one of the Missouri chapters making up Region V of the National Holiday Ramblers Recreational Vehicle Club (HRRVC).

Providing enjoyable experiences in camping, traveling, and rallying as a group of friends is our purpose and goal.

The Cardinals membership roster is more than 25 RV units strong and growing. Although most of Chapter 174's members live in the greater St Louis metro area, membership is widespread from Hannibal MO in the north to Perryville MO in the south.

Some members have been part of Chapter 174 since its charter in 1972 and some have just recently joined. Dues are very reasonable for what you receive in return; just \$15 per year payable November 1st. New members joining after January 1 enjoy free chapter membership until time to pay the next years dues.

Won't you join us for some enjoyable camping experiences? We would love to have you as part of Chapter 174, the Cardinal Ramblers.

Please visit our State web page - it contains links to the Cardinals, Regional, and National web pages.

What We Do, Where We Go

The Cardinal Ramblers is a very active chapter with something planned each month, even during wintertime.

During spring, summer and fall months our campouts are usually the 3rd weekend of the month; a few trips are planned for a week or longer. Our State Rally is held in June and the International Rally is in July. Each November is the Cardinal Christmas party, a very nice occasion and a restaurant gathering not to be missed. In winter months we enjoy a monthly luncheon at a local restaurant.

Volunteer "wagonmasters" head up our camping trips, making campground reservations, choosing restaurants and potluck meals and furnishing information about activities in the area.

Cardinal members can participate in as many outings as they choose. Some require advanced reservations and these are noted in the monthly newsletter and at chapter meetings.

Destinations of camping trips are determined by the chapter members; recent campouts have been to Branson, Cuba, Danville, Jackson, and Sikeston MO and to Effingham, IL.

So how about filling your motorhome or tow vehicle with fuel and joining us for some fun times!
