On A Personal Note:

To those who already know, and those who may not have heard--at the International Rally in July, our Region V Director, George Ebaugh asked me to be the Missouri State Manager. I hesitated as I am definitely not qualified and am always too busy to add anything else to my agenda. But.....because I am a diehard Holiday Rambler owner/member, I finally decided to accept. I do want to see our state continue to survive. To accomplish that, we all need to do our part in keeping our campouts and rallies interesting. So, I am asking for your help in inviting our past members to come back and also to be diligent in trying to get new people to join. Together, we can keep our state active.

“MEET ME IN ST. LOUIS”

The Heart of Missouri, Chapter 394, has agreed to coordinate the 2018 state rally. The Bootheel chapter members have already committed to giving as much help as we possibly can. If asked, I hope each of you will be willing to offer your help. Plans are being made to hold the rally in the St. Louis area. Sundemeir's RV Park in St. Charles has been chosen. I assure you they are working really hard to put together a really fun rally for next year. There is a lot to do in the St. Louis area, so I hope you will make plans to attend. The dates are July 26-28 leaving out on the 29th. Early parking will be on July 24 and 25. More details will be sent as soon as they become available.

Information Needed

Chapter Presidents, if possible, I would like to have the names and e-mail addresses of your chapter officers and all active members. It might also be a good idea to send me the contact information for any

Information, Con't.

prior members you are aware of who may be interested in rejoining HRRVC since other trailer and 5th wheel brand owners are eligible to be members.

2018 International Rally

The 2018 Eastern International Rally will be held in Harrington, Delaware June 4-8 with early parking beginning on June 1. Our rally coordinators work very hard to make our rallies the best they can be. If you haven't already made plans to attend, be sure to put those dates on your calendar and attend in 2018. Better, yet, when you send in your reservation, think about checking one of the volunteer boxes. Volunteering is a lot of fun and it's a good way to meet new friends. Let's all begin to be a part of the growth of our Club again.

Suggestions

I am open to suggestions from anyone regarding any additions or changes that will help make our state rallies better and our member enrollment grow. Send any comments to me, Shirley Crow at smc614@gmail.com, or call me at 573-614-9086.
