

WINDY CITY RAMBLERS CHAPTER 94

When Chapter 94 began it was a club made up of Holiday Rambler owners that live basically in the Chicagoland area. Because this club is 40 years old in 2009 some of the members have retired and moved west and south of Chicago. We are still basically a club located in the northern part of the state of Illinois. If you would like any further information regarding membership in this club, please contact one of the following members.
