

Holiday Rambler Recreation Vehicle Club

Kansas Activities

April 17, 2010

The 2010 Camping season is starting

It's good to be back home in Kansas. This is a beautiful time of the year. Flowering trees, spring flowers, green yards all welcomed us back, as usual, along with the beauty are chores and responsibility. The first thing on the states agenda is the two chapter campout at Rutladers RV park on April 29-May 2. Phyllis and Richard are working on the details and will be getting the information out to us soon.

The ladies will be working on blankets one afternoon during the campout. These blankets will either be saved until the state rally in 2011 given to the city of the Rally's location or the blankets can be taken to Perry, Georgia and given to the national Quilts and Covers Project. We will let you decide where you want your blankets to go.

This campout is also convenient time to bring your donations (of Kansas made products) for the scholarship Basket that will be raffled off at the International Rally in July.

The ballots for electing our next Director for Region V were sent out March 25. Lee Clement, Illinois State Manager, is running unopposed and we need to show our appreciation and support for his willingness to represent Region V on the Board of Directors by casting our ballots.

Dan Herman the Region V director puts the current Courier on the web. You can find it at: <http://www.rg5.hrrvc.org/region5.htm>
