## 2011 International Rally

Small, but Rewarding

Six intrepid Kansas units made it to the 2011 International Rally at Du Quoin, IL during July. Just over 220 rigs attended, making it the smallest HRRVC International ever. There were all the usual events (except the International Choir) with a good representation of vendors, including a dozen or so new HR units. The highlight of the week was seeing Nathan List (no, the *other* one, *our* Nathan List), son of Carol and Kirby List, presented with one of the HRRVC Scholarships. Nathan was the only recipient to be present at the ceremony. Our hearty congratulations to the List's for a fine representation from Kansas! Way to go, Nathan!

## Upcoming Events

Kansas Sunflowers will meet next at Pomona Lake, south of Topeka, KS at the Michigan Valley C.G. August 11-14. Hosts Staab's and Crumly's have great plans for the weekend.

**The Region V/Kansas State Rally is coming!** The registration form and directions to the rally site are included with this e-mailing of the Kansas Kapers. Lots of fun things are being included in the planning of this event, including a re-enactment of early historical events on-site at Le Compton, KS. **PLEASE NOTE:** We need to report a count of attendees to the RV Park where the rally will be held on September 1, so we need to have reservations in hand by then. You can register after Sept. 1, but we can't guarantee that we can park you at the rally site after that.

**State Managers:** Would you please forward the Registration Form to members in your state, as we are not advertising in the *Ramblings*?
