

MICHIGAN - BRIDGING THE GAP

HRRVC MICHIGAN STATE NEWSLETTER

August 2009

FROM YOUR STATE MANAGER...

With the cool weather we have had this summer I can't believe it is almost over. Before we know it Labor Day weekend will be here.

Please keep me informed about all HRRVC deaths which should be included in the Innumerable Caravan. We had two Michigan members honored at the Memorial Service in Sedalia this year: DeVere Cook, 15811, Chapter 15, from Charlotte, who passed away on January 3, 2009, and William Koch, 72623, Chapter 195,, from Freeland, on April 9, 2009.

HRRVC Club headquarters is moving due to the unexpected sale of the building they share with Elkhart Service and Collision, and Paint and Graphic Solutions. This move was not planned but is necessary. Details are still not complete for a variety of reasons. The net result is the office "stuff" is packed and ready to move as soon as issues are resolved, hopefully by August 30th. I will forward additional information about the new location when it is received.

If you have anything you would like to have discussed at the Fall Council Meeting please let your President know so he or she can contact me, to have it added to the agenda.

It's that time of year when we need to plan for preparing chapter rosters and camp out schedules. I have included the appropriate forms on the CD of the D.O.G. that I will be giving to the Chapter Presidents at the Council Meeting. They can be filled out and submitted as e-mail attachments. Be sure to include e-mail addresses and current dues expiration dates for members. Forms must be submitted to me by November 15.

We will be collecting lap blankets again this year at the State Rally to be donated to the VA Hospitals. Due to Sandy Ewka's health, they will not be able to attend the rally, but the blankets will be picked up and delivered to the VA Hospital or Hospitals. Here is a message from Sandy: *"Please remind our Holiday Rambler Ladies that we are still making Blankets for our Veterans. Size is 40 x 48 inches. Any material. They are in use winter and summer. Please bring them to the MI State Rally site and they will be picked up from there. Thank You and God Bless our Veterans. Sandy Ewka HR81825"*.

See you at the State Rally in September. Have a safe trip.

UP NORTH IN MACKINAW

The Michigan State Rally is fast approaching, and it is shaping up to be a super event! As of August 15, 102 rigs were registered! Many of these are from neighboring states, Ontario, and as far away as North Carolina and Texas. If you know anyone who has not yet sent in their registration, please remind them that they should do so as soon as possible. All who have registered, and included an e-mail address, have received updated information about rally activities to help them plan their time Up North. Don't forget that Pre-Rally activities begin Wednesday, September 16.

Support from area businesses and organizations, and the RV industry, has been exceptional. Sponsorships have helped defray some of the costs, and donations to be used as gifts and prizes are still arriving.

See you in September!
