

MICHIGAN - BRIDGING THE GAP

HRRVC MICHIGAN STATE NEWSLETTER

July 2010

FROM YOUR STATE MANAGER...

The weather sure is a lot warmer this summer than last year. We hope that everybody is taking advantage of it and doing a lot of camping and other outdoor activities. Emma and I were unable to go to the International Rally this year because of medical appointments, and, so, will have to report on what happened second hand. If any of you were able to attend, and would like to share some of your experiences, please drop us an e-mail. It is always great to hear from our members, and we'd love to publish some of your stories.

We do know that Lee Clement is being installed as the new Region V National Director, replacing Dan Herman. We would like to thank Dan and Marti for their four years of dedicated service as Region V National Director, and many years as Michigan State Manager. We are sure that Lee will do an excellent job representing Region V. When you come to the Michigan State Rally in September, you will have the opportunity to meet and welcome him to our group.

You only have until August 1 to get your State Rally registration in to receive your \$10 discount off the price. Chapter 66 is working very hard to make it a great Rally that all will enjoy. I hope everyone received the Registration Form and information about the rally that I sent out recently. If you did not, please let me know and I will send it to you, or you can check the web site and download the form, or fill out the form in the latest issue of **Ramblings**. We look forward to seeing many of our members and visitors in Hastings, September 16 - 19.

Just prior to the Michigan Rally, September 3 - 6, our neighboring Ontario Trillium Chapter and Region I are holding their Rally in Kingston, Ontario. A number of Ontario Ramblers, especially from border areas, have joined Michigan chapters, and supported our activities. This is a chance for some of us to join them in seeing the sights of Eastern Ontario, and meeting new Holiday Rambler friends. A Thousand Islands boat cruise, visits to historical sites, and a tram ride through Kingston are among the things available for rally participants. A side trip to Ottawa, a drive along the St. Lawrence, or a circle around Lakes Ontario and Erie would be great add-ons to the trip to Kingston. Check out **Rambings** or the web site for a registration form, and send it in as soon as possible.

See you down the road... Maybe in Frankfort, KY - Aug 18 - 21, or Hastings, MI - Sep 16 - 19 Gil
