

MICHIGAN - BRIDGING THE GAP

HRRVC MICHIGAN STATE NEWSLETTER

June 2010

FROM YOUR STATE MANAGER...

Hello! This summer sure is a change from last summer. I can't believe how warm it has been. We just returned from two great rallies in Missouri and Indiana/Region V. They were both held in great locations where we had full hookups, unusual for state rallies.

The Missouri State Rally was at the ABC Campground in Branson, MO, just a few miles from the strip. They had a tour bus for us to see Branson which was really nice. They also gave us time to see a couple of shows. But the entertainment Saturday evening at the rally was great. They had a Comedienne Willamae Dudd who was in an all girl band. Her band didn't show up so she had Dan Herman, Region V Director; Lee Clement, Region V Director Elect; Bill Kaufman, MO State Manager and Ralph "Gene" Colliver, IN State Manager help her out.

The Indiana and Region V Rally was at Ceraland in Columbus, IN. They have a great facility there. The only problem was it rained really hard and some rally-goers had waterfront campsites. We were lucky enough to be on the hill so we didn't have any problems. They had a tour to Camp Atterbury where we rode the bus around camp and then ate on base in one of their dining halls. From there we went to **Not Just Popcorn** to see how they made different flavors of popcorn. And, of course, taste several different flavors. It was tough deciding which ones to buy because they were all good. They also had two tours to Cummins plants, which are right there in Columbus. Since it was Dan Herman's last Regional Rally as Region V Director, he was given a plaque for appreciation for his years of service to the region and Marti was presented with flowers.

The International Rally in Perry, GA quickly is approaching. Please get your reservations sent in as soon as possible. Everyone will have 30 amp power, and city water. If you are NOT on a sewer site, gray water can be dumped on the ground and, yes, you WILL be dumped one time FREE! Elkhart Service and Collision, the preferred provider of Holiday Rambler service and repair, will be on the grounds from the 16th on through the rally for service work, and they are also offering three great seminars that you will want to attend. There will be new units on display and for sale. If you want to take one of the tours be sure to get signed up right away or it may be cancelled if it is not filled.

Be sure to get your registration form in for the Michigan State Rally before August 1 to be eligible for the \$10 discount. Chapter 66 is working hard to make it a great rally. <http://www.rg5.hrrvc.org/midates.pdf>
