

MICHIGAN - BRIDGING THE GAP

HRRVC MICHIGAN STATE NEWSLETTER

June 2011

FROM YOUR STATE MANAGER...

It's starting to look as if we will have a good camping season, after a somewhat late start. Now we just have to avoid the tornadoes, floods and wildfires other parts of the country are experiencing! We have just a few news items for you this month.

The HRRVC Club Office has a new mailing address. It is PO Box 3028, Elkhart, Indiana 46515. Christi's email address is still christina.crist@hrrvc.org. The telephone numbers also remain the same - 574-295-9800 or 877-702-5415.

The International Rally in DuQuoin IL is just over a month away. If you haven't done so yet, please register as soon as possible to help the coordinators with the planning. If something happens after you have registered that means you can't make it, your fee will be reimbursed, so don't let that hold you back from registering. Michigan is responsible for cutting up fruit Sunday evening and serving at Hospitality Monday morning. If you plan to attend, we really need volunteers to help with this.

The Innumerable Caravan service will be held during the Rally in DuQuoin. Please send me the names of any members that have passed during the last year so they can be honored at the service.

And how's this for Advance Notice? The International Rally for 2012 is scheduled for Gillette, WY. Do you have your 2012 calendar ready?

On the next page you will find information about the Michigan State Rally in September. Rally coordinator, Keith Chapman, would appreciate hearing how many from the various chapters are planning to be there; it will help his group with their planning tasks.

We look forward to seeing you down the road this summer.

Gil

THEME: Heritage of the Four Flags

The Four Flags Area is the western gateway to Michigan. Visitors to our area can experience Michigan's Great Lakes and Great Times without traveling a Great Distance. There's always something fun to do!

Over three hundred years ago, the first European visitors to the Four Flags Area wrote about the hospitality of the natives, the natural beauty of the river valley, the rich soil, and the peaceful waters of the St. Joseph River. Today many of those things remain unchanged, we still welcome visitors with open arms, our river valley is still beautiful and surprisingly undeveloped, and our climate and soil still combine to produce some of the best fruits and vegetables on earth.

Join us for Golf, Winery tours, The Heritage Museum, the St. Joe Carousel, Fernwood Botanical Gardens, Vendors & Crafts and FUN WITH FRIENDS!!

Note: Please register early for HR Rallies. Our planning teams work very hard on these events. They can finalize plans more effectively if they know how many participants there will be.
