## Chapters

64 Bootheel

394 Heart of Missouri

## Region Director

Doug Chrestenson HR # 114431  
[chrested@gmail.com](mailto:chrested@gmail.com)

## Eastern International Rally

I hope you have made plans to attend the EIR in Sevierville, TN in June. The dates are June 3-9 with early parking starting June 2. Our State Manager, Doug has planned a Region V dinner of bar-b-que chicken with all the fixin's on Thursday, June 6 from 6 to 8 PM (EDT). Cost is \$19.75 per person. Be sure to send him an e-mail at [chrested@gmail.com](mailto:chrested@gmail.com) to make your reservation. Money will be collected at the EIR.

I would also like to remind you that we need to make a donation or a basket to the Make-A-Wish, Habitat for Humanity and Scholarship charities. If anyone has items from their area to donate for a basket, please let me know and bring them to the EIR. Otherwise I will either make up the baskets or just do gift cards. Baskets are always really nice—just sayin'.

## Ramblin' By the River

Cape Girardeau is our destination. The rally is just over 2 months away and plans are taking shape. At this time, we have 10 units

registered. Be sure you have called the Cape RV Park (573)332-8888 for your reservation. Mention you are with the Holiday Rambler rally.

This historic old Bollinger Mill and covered bridge is one of our tour destinations. Don't miss it!!! We are also planning a car tour to 2 of the wineries in our area. We'll be doing lunch (on your own) at one of them. The Glenn House is another planned tour. Built in 1883, it has been restored to its original beauty. We'll try to plan something for everyone with some good food and a fun time together. You won't want to miss the Wall of Fame along the Mississippi River and, of course, the wonderful Farmer's Market on Thursday afternoon.

## Kansas State Rally

"Prairie Past to Future". It would be great if we could all attend all our state and region rallies, along with both Internationals, but at least maybe we can work a few of them into our schedules. The Kansas State rally is scheduled for July 25-29 in South Hutchinson, KS. Rally cost is \$20 per person. Nightly camping fee is \$28.90 per night. Sounds like they have some really neat things planned for us, including a Bison Ranch and an Amish settlement.

## MI State Rally

September 12-15, Hopkins, MI. At this time, I don't have any other information. Stay tuned.

## IL-IN-Region V Rally Update

September 16 – 19, 2019 at Old Mill Run Park in Thorntown, In. Old Mill has 30/50 amp, water and sewer hookups. It has a modern building, which is close to the campsites. There are a limited number of sites, 20, reserved for the rally, according to George Ebaugh, IN State Manager. Look for a rally registration coming out soon.
