Southwest Sunshine Rally

We are looking forward to seeing some of you at Rayne, Louisiana for this rally which runs from March 26 through March 29, (early parking on the 24th). It is not too late to sign up for the rally and see what Joe Herron has in store for us this year. There were some new experiences last year and we anticipate some new ideas this year.

Director Election

Ballots for electing a new director for Region V will be sent out March 25th. Lee Clement, Illinois State Manager, is a good candidate and merits our support. Even though he is running unopposed, we should show our support and appreciation for his willingness to represent Region V on the Board of Directors by casting our ballots in his favor.

Monaco

We have not received any additional information from Monaco. As far as we know, Monaco is still building Augusta, Arista, Admiral, Neptune and Endeavor motor homes. Scepter, Imperial and Navigator models are being built as customers order them. Towable units in production are Mintaro and Campmaster travel trailers and Savoy travel and fifth wheel trailers. I will pass on any new information when it becomes available.

Rally Season

It is time to start making plans for attending some of the rallies scheduled for this spring through fall. We look forward to seeing many of you at as many as possible.
